FOR IMMEDIATE RELEASE

**State Route 113
Between Dixon and Rio Vista
Full Highway Closure
Starting Monday, February 27, 2017**

SOLANO COUNTY – The California Department of Transportation (Caltrans) has scheduled a long-term closure of State Route 113 (SR-113) between Hastings Road and Hay Road in rural Solano County to complete storm-related repairs to the highway.

The closure is just south of the City of Dixon in unincorporated Solano County.

SR-113 will be closed Monday, February 27 at 6AM until 6PM Saturday, March 11.

During the closure, motorists are advised to use State Route 12 (SR-12) and Interstate 80 (I-80) as alternate routes between Fairfield/Dixon/Vacaville and the Delta region. Limited access will be available for local residents only.

Caltrans will complete culvert repairs which crews started during January's heavy rains. SR-113 was closed temporarily in early January and reopened on January 11, 2017.

The additional repairs scheduled to start February 27 will improve drainage on and adjacent to SR-113 and make the highway less flood prone in the future.
